A pupil fees complaint is filed with the Superintendent or his designee and/or the principal of a school.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying against any protected group must be filed within six (6) months from the date the alleged unlawful discrimination, harassment, intimidation, or bullying against any protected group occurred or the date the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation, or bullying against any protected group, unless the time for filing is extended by the superintendent or his/her designee.

Complaints will be investigated and a written Decision or report will be sent to the complainant within sixty (60) days from the receipt of the complaint. This time period may be extended by written agreement of the complainant. The person responsible for investigating the complaint shall conduct and complete the investigation in accordance with local procedures adopted under section 4621.

The complainant has a right to appeal our Decision of complaints regarding specific programs, pupil fees and the LCAP to the California Department of Education (CDE) by filing a written appeal within 15 days of receiving our Decision. The appeal must be accompanied by a copy of the originally-filed complaint and a copy of our Decision.

For discrimination complaints, 60 days must elapse from the time an appeal is filed with CDE before pursuing civil remedies except for an injunction. Complaints may also be forwarded to appropriate state or federal agencies in the following cases:

- Rehabilitation Act Section 504 - Office of Civil Rights
- Child Abuse - Department of Social Services, Protective Services Division, or law enforcement
- Discrimination/Nutritional Services - U.S. Secretary of Agriculture
- Employment Discrimination - Department of Fair Employment and Housing, Equal Employment Opportunity Commission
- General Education - this school district
- Health and Safety/Child Development - Department of Social Services
- Student Records - Family Policy Compliance Office (FPCO), U.S. Department of Education

Notwithstanding the process for written complaints, any individual who believes that he/she or another student or group has been subjected to unlawful discrimination may orally report the alleged discrimination to the involved student's teacher (or a teacher of a student in the alleged group), or to the principal, or to the principal's designee of the school site where the alleged discrimination occurred. The principal or principal's designee shall, in the process of following up on the report, inform the individual making the report of the right to file written complaint. If the individual making the oral report does not want to file a written complaint, does not want to be identified, or does not give names of the perpetrators, the school still may have a duty to respond in some way depending on the seriousness of the allegations and the risk of future harm to the student or others. However, the extent to which these concerns can be investigated and/or responded to may be limited given the lack of information made available to the District. The District's response to the oral reporting of concerns of unlawful discrimination shall follow the process set forth in the local UCP.
