

EXPOSING MR SUS  
(OR MORE ACCURATELY, HIS COUSIN)  
SCREENSHOTS TAKEN BY CLASSICGUESS/BLEUEFLAME PRODUCTIONS  
CREATOR OF THIS DOC  
COOLBOIISSUPERCOOL

ok, so for the first part of this story, guess lost the screenshots for, but I heard he has already been called out for it, so I won't go into too much detail, but he was basically caught grooming, got into controversy, then it was revealed that his COUSIN made him do it. After that he was not really talked about. Until today, when classic came out as one of his victims. Now, today's drama started with his response, first starting on discord

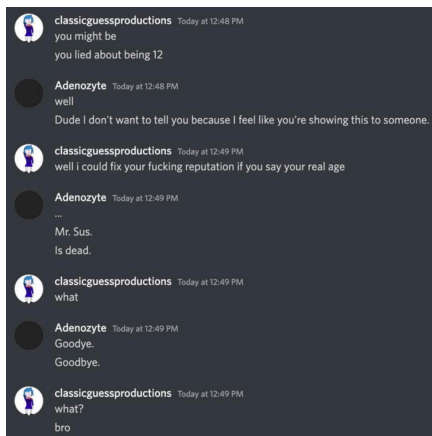

(Ik it's blurry, I'm sorry)

Now this may seem normal but just WAIT because this gets so much weirder

Next he tries to claim that the age gap disproves it. (Even if so, you don't have ERP with a fucking 11 year old)

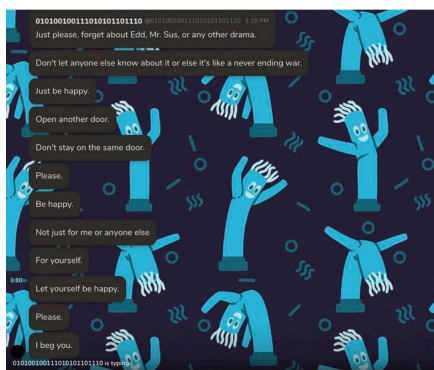

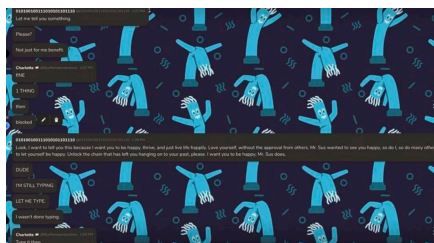

This is where shit gets weird. He says mr sus is dead, then he says goodye, and then goodbye. The rest happens on gamejolt

"I recommend you maybe delete those posts for your own safety" doesn't that sound like a THREAT. And yha, he legit made classic delete the posts.

Still does not matter, still ERP with a 11 year old

This is the part that confuses me the most.

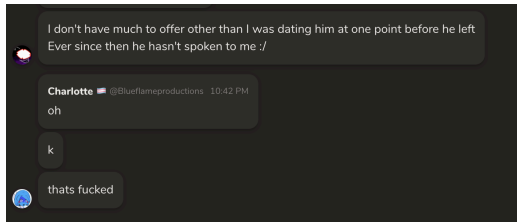

After basically forcing classic to take her posts down, he bids her farewell. This has so many mixed messages.

That's all we got foe now

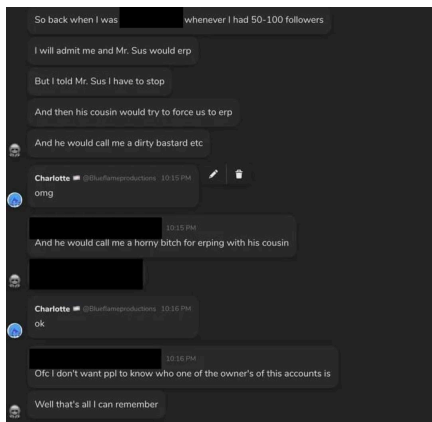

If you have anymore info to add to this doc, please contact me or classic

UPDATE

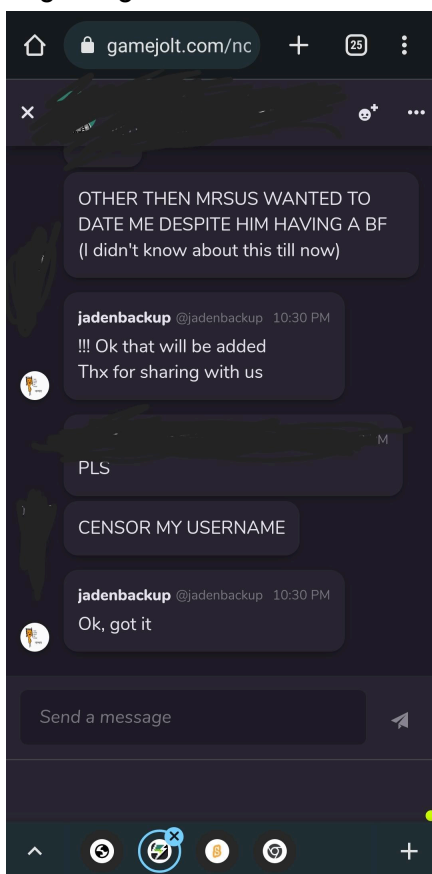

we got MORE pics from MORE victims to share

There's not much to this except for he was an asshole and cut this person off. Shows what kind of person he is

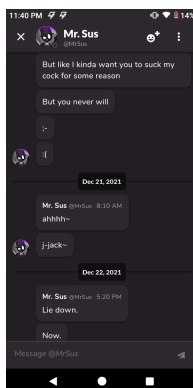

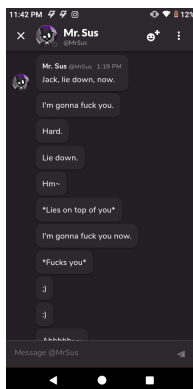

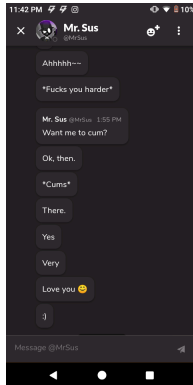

So basically mr sus's COUSIN would force ERP, then call the victim a slur for said ERP. truly disgusting behavior. No means no, point blank.

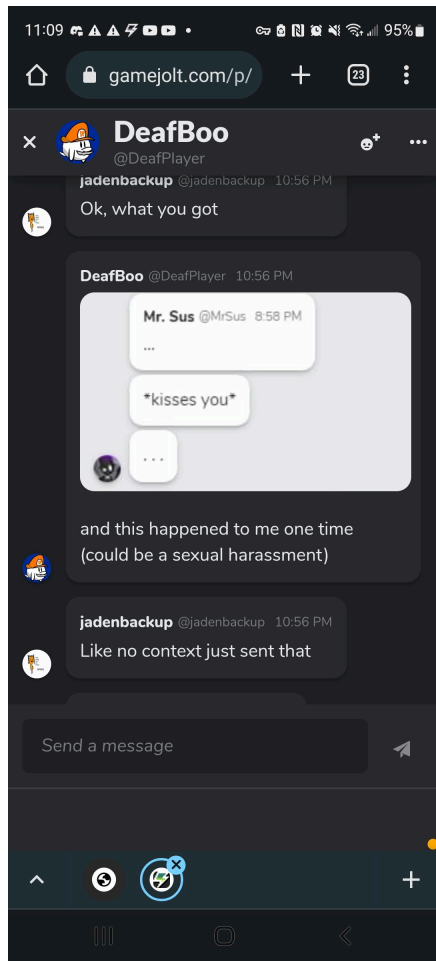

And on top of that, he is a CHEATER yall. He did all this stuff WHILE HE HAD A BF. Despicable

WE HAVE MORE

This time we have ACTUAL EVIDENCE of the ERP

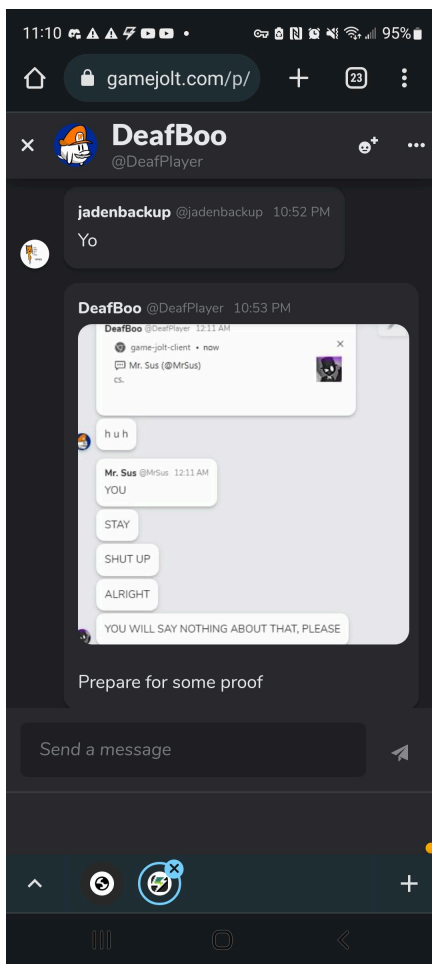

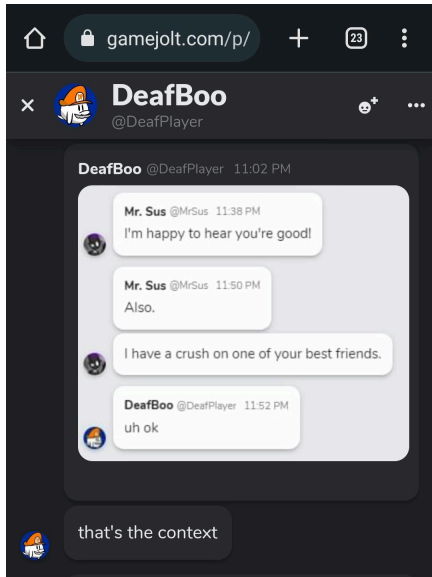

mr sus was doing this when the victim was 12 YEARS OLD. The victim also told that he was  
very uncomfortable with this. I am very disgusted by these pictures, and this is why we NEED to  
get this out there.

So something else to add is he randomly sent deafplayer a message basically virtually kissing him. This is kinda weird, especially giving his history of ERP.

And one last thing unless we get more info, he also told deaf he had a crush on one of his friends, then proceeded to YELL at him to not tell anyone. We don't know who the crush was, or if it was one of his ERP victims, but it's still a little weird.

That's all for now, make sure to share this doc with all your gj peers, and if you have ANYTHING that can be added to this doc, please contact blueflameproductions or me/jadenbackup/coolboiissupercool
