

Process paper Instructions:

Write a 500 word (minimum) essay responding to the following three questions:

- a. In what ways did you apply concepts and perspectives of civic engagement when planning, designing and collaborating on this poster project both with your UD group and the 4/8 students?
- b. What did you learn from working to create this project with your assigned 4/8 class?
- c. What did you learn from the 4/8 students about civic engagement?
