

Name _____

Where would you live? Europe Economics version
Peoples and World Cultures

If you had a choice to live in the United States or the European country you are focusing on this unit, which one would choose. Base your answer on the data we gathered in class around G.D.P., G.D.P. per capita, the [Index of Economic Freedom](#), and the [Social Progress Index](#). Please include at least three pieces of data to support your opinion.

I would
