

Dear Sophomores and Parents/Guardians,

We are coming into the final stretch of the school year. Please keep your grades up and monitor your attendance. If you have any questions about grades, speak with your teacher as soon as possible.

If you are having difficulty or need additional help in any of your classes online tutoring is available through the school. Below is more information and the form that needs to be completed to enroll along with the proper contact information.

- Students can sign up for tutoring sessions in 30-minute increments
- Tutoring sessions will be held virtually via Zoom or Google Meet, beginning after 3:10 PM and ending by 9 PM
- Time slots available are based on tutor availability
- The tutoring coordinator will pair up the student and teacher with a date and time that is convenient for both parties

Please fill out the provided [Student Intake Google Form](#) with at least 2 days' notice to schedule tutoring.

Through the tremendous collaboration of industry associations and their labor partners, the CICD Committee is pleased to announce Construction Industry Career Day 2022!

This two-day event showcases the construction industry's educational opportunities and occupations, while providing participants with hands-on activities within many of the trades.

Save the dates May 31 and June 1. Registration is now open. <https://cicdnj.org/>

Please see the [Career Nights Flyer](#) for the upcoming Career Night events this April at Raritan Valley Community College. These events are being coordinated and sponsored by the RVCC Admissions Team. The registration link is available as well as the QR code for further information.

If you have not completed your YouScience assessment in SCOIR, please spend some time exploring it. After completion of this assessment, it will generate a list of possible career pathways based on your responses. If you have not logged into your SCOIR account, email your counselor for an invite.

Students be sure to check out [What's YouScience: Discover Career Perfect for you](#) video and all that career tests can do for you!

Students have free access to Albert io which is a resource for SAT/ACT prep and support for academic classes. Please view this [link](#) for more information about SAT/ACT prep.
