

2022 AP EXAM REGISTRATION INFORMATION

[MYAP.collegeboard.org](https://myap.collegeboard.org)

All students currently enrolled in AP courses need to register for their exams by **November 1st, 2022**. Students should log into their College Board accounts and enter the AP code for each AP class they are taking.

Medfield students enrolled in AP courses will take the exams in May. The three-pronged approach is as follows:

Fall: Register to take exams through College Board

Winter: Pay for exams through AP Test Services (More info in January)

Spring: Take the AP exams in May

Please have your child view this [short video](#) on how to register for AP exams. Listed below are the courses, teachers and join codes. Any course listed as “ALL SET” indicates all students have already registered. Please contact guidance with any questions.
