High Five Friday

Give Activity

Thank You Notes

Pupils in Mt St Catherine's Primary School took time to notice others in school and then wrote them a note to say thank you!! We love the display they made for these notes!

Thank you...for helping me

Thank you...for asking me to play

Thank you...for showing me what to do

Thank you...for being kind to me

'Bee Positive'

You could spread some positivity and kindness around your classroom. What could you write on a thank you note to people in your class?
