

Monday Announcements 1/22/24

Good afternoon Loma Portal families! This is a special Monday edition of my announcements. I hope you are all staying dry out there. You children are LOVING this rain! See below for some very important updates:

1. **2024-2025 UTK pre-enrollment opens today!** If you have a child born between Sept 2nd, 2019 and Sept 1st, 2020, your child is eligible for our district's Universal Transitional Kindergarten (UTK) program! This is a free full day program offered here at our school and all other SDUSD school sites. If you are interested in enrolling your child, check our website (or click [HERE](#)). Enrollment IS NOT first come first served. It is based on students' date of birth. The students who are the oldest (within the UTK birthdate window above) will be admitted first. This is a SDUSD procedure. If you have further questions, please contact our School Clerk, Ze Garcia, at jgarcia4@sandi.net
2. Reminder – the first of three “Design Task Force” workshops will be held in our Auditorium on Thursday January 25th 5:30-7:00pm. At these workshops, community members and staff will have the opportunity to learn about our “Whole Site Modernization” project and give their feedback. Click [HERE](#) for a flyer. The remaining two workshops will be held on 2/22 and 3/14 (both at 5:30pm in our Auditorium).
