CAR ARRIVAL PROCEDURES 2025-26

A safe arrival and dismissal is contingent upon us all working together for the common goal of student safety. If everyone consistently follows the outlined procedures below, we can ensure both a SAFE and EFFICIENT arrival. Please be patient and kind.

PROCEDURE

- The front of the building is reserved for bus parking only.
- Arrivals by car should use the Student Drop Off Lane along the curb when turning into the property off of Delaware Ave. (Please see map below)

ARRIVAL BY CAR (School starts at 8:05 AM)

Between **7:45 and 8:05 AM**, parents who drive to school will be required to drop off their children by way of the Student Drop Off Lane.

- Cars are to enter the Student Drop Off Lane upon turning into the parking lot.
- Staying to the right in a single lane, parents are to follow the curb line that borders the school building.
- Parents are to **pull ALL THE WAY UP** along the curb line where students should **exit out of the right door** of their car.
- **It does not matter where along the curb students are dropped off, all students will assemble outside by their respective doors (or in the hallways during inclement weather).**
- There is no parking along the curb; **the curb is “DROP and GO” so students should be prepared to exit the car upon stopping.**
- Please be patient as the safety of our students is our priority.
