

Curso: INGLÉS AVANZADO 08 (VALLADOLID)

Justification

Linguistic aspects in a language require constant updating. Language specialists teachers need to update the English Language skills for their personal development and for the proper use in the classroom. Their high level of English will result in a higher quality of their teaching practice. That is the reason why we consider essential to design and offer this activity that will obviously lead to new didactic ideas to be used in the classroom.

Objectives

- 1.- To develop specific language resources for precise and natural communication in English.
- 2.- To understand and communicate properly in specific communication situations.
- 3.- To update vocabulary on specific topics and get a high oral level.

Contents

- 1.- Descriptive language regarding various topics.
- 2.- Advanced oral skills.
- 3.- Variety of topics in context, using authentic materials for didactic purposes.

Competences

Communicative competence in a foreign language.

Methodology and evaluation

Sessions will be developed using an active and dynamic participation through the presentation of contents and activities. Exposition and debate on topics in real communication contexts. Participants will have to present the teacher a practical task on how they would apply contents of the course in their lessons.

At the end of course participants will complete the evaluation provided in the [CFPI IDIOMAS](#) webpage.
