Mabry Middle School Named National Beta School of Merit

Inman, SC, May 2, 2022 - Spartanburg School District One is proud to announce that Mabry Middle School is a *2021-2022 National Beta School of Merit*. The school earned this recognition by offering National Beta to all eligible grades on their campus. National Junior Beta includes grades 4-8 and National Senior Beta includes grades 9-12.

The *National Beta School of Merit* award is given to honor a club's dedication and commitment to academic excellence. To achieve this prestigious honor, a school must include members from all eligible grade levels in their Beta club. This year, only 3,380 Beta Clubs across the country received this award.

In a congratulatory letter to the school, Bobby Hart, CEO said "Thank you for your continued support of National Beta and commitment to developing future leaders!"

Brandi Simmons states "It is an honor and a privilege to be able to receive this prestigious award given the challenges that our students have faced these past two school years. They have persevered and we are so proud of their hard work, dedication, and efforts."
