## CHALLENGE

Traffic congestion in Central Texas is getting worse. Between a growing population and region-wide construction projects that are reducing road capacity, getting students to and from school is becoming more time-consuming and costly. Long lines at school pickup and drop-off negatively impact student safety and air quality.

To help families save time and money and help schools reduce traffic congestion and the long drop-off/pick-up experience, we've launched a partnership with Movability's SchoolPool Program powered by GoTogether. This secure, online transportation matching platform is accessible only to approved community users.

## NEXT STEPS

Families can pre-register in Movability's SchoolPool Program powered by Go Together, where they can:

- Meet other parents and caregivers interested in carpooling their children to and from school and extracurricular activities—even biking or walking together!
- Request and offer a ride
- If you live close to school but want to switch off chaperone duties with another parent in the area, organize biking and walking matches.
- Set up short-term trips for an event or trips for a season, or for the entire school year.

**Step 1:** Complete the [Car Pool Interest Form](#). You will be provided a link from "Checkr" to start the background check.

**Step 2:** Complete Background Screening- Any parent or caregiver who will offer or seek ride support must first complete a background screening.

- Screening includes: Motor Vehicle Records Check, SS# verification, Address History, Sex Offender Registry check, local and national criminal background and global watch list.

**Step 3:** NYOS will review/approve the background check. The background screening will be available in English and Spanish

**Step 4:** If approved you will receive a welcome email from "GoTogether" with instructions to login and have access to start searching for families and creating trips.

This entire process can take up to 5 business days.

If you are already signed up we thank you so much for your participation in SchoolPool! If you have any questions about getting started or using the platform, please feel free to reach out to us via live chat, email, or phone.

**Live Chat: Available Mon - Fri from 6 am - 8 pm CT**
