

Privacy Policy

Welcome to the Shri Mangalnanth Multistate Society Mobile App's Privacy Policy. We prioritize the protection of your personal information and are committed to ensuring your privacy. This policy outlines how we collect, use, and safeguard your data when you use our mobile app services. By accessing and using our apps, you agree to the terms outlined in this policy.

Preamble

"Shri Mangalnanth Multi-State Co-operative Credit Society Ltd, Nawa Mondha, Majalgaon, District Beed, Maharashtra has been registered as a Multistate Cooperative Society under section 7 of the Multistate Cooperative Societies Act, 2002 (39 of 2002) and the rules framed there under. The Registration Number of the Society is **MSCS/CR/404/2011.**"

"This Mobile app Privacy Policy ("Policy") applies to users of mobile apps with "Shri Mangalnanth Multistate Co-operative Credit Society Ltd," in any mobile application that we own and control. In this Policy, the term 'Shri Mangalnanth Multistate Co-operative Credit Society Ltd,' refers to our affiliates or subsidiaries. This Policy describes how the mobile application collects, uses, and shares information from or about you, and explains how the information may be shared or used."

Contact List Permission:

The App requests permission to collect your contact list to facilitate mobile recharge services for friends, and family. This enables the automatic detection of reference information from your contact list during runtime, making it convenient to recharge mobiles and make bill payments for your contacts.

Storage Permission:

The app requires storage permission to save essential data such as QR codes and bank statements. This ensures a seamless experience for you, enabling easy retrieval of information related to transactions and payments.

Phone State Permission:

Purpose: Device Authentication

Usage: The Phone state permission is employed for security purposes, specifically for device authentication. This helps in registering and identifying the device securely within the Shri Mangalnanth Multistatesociety Mobile App.

Bluetooth Permission:

The Mobile app uses Bluetooth to connect the printer for printing collection receipts through the Shri Mangalnanth Multistate society mobile collection app.

Phone Call Permission:

The Loan Recovery App utilizes this permission to enable recovery officers to call loan holders for the purpose of loan recovery.

Camera Permission:

For the convenient Scan and Pay facility, we request access to your device's camera. This permission allows you to scan QR codes effortlessly, ensuring a secure and efficient payment process, also the camera maybe used to take pictures of documents or mortgages.

Location:

App utilizes location permission to enhance security and prevent fraud. This feature ensures user safety and facilitates geo coordinate based login process.

Voice Command:

App provides the option to use mobile app services through voice commands. We use voice recognition technology solely for this purpose, ensuring a hands-free and accessible banking experience. Your voice data is processed securely and is not shared with external parties.

Log Data

App may collect log data for analytical purposes, helping us improve the app's performance and user experience. Log Data may be used for debugging and security checking of our app. This information may be used by our developers to identify and resolve technical issues and failures. Log data does not personally identify you.

Children's Privacy:

Usage of Mobile app is not allowed to the children under the age of 18 and use of our Platform is available only to persons who can form a legally binding contract. If you are under the age of 18 years then you must use the Platform or services under the supervision of your parent, legal guardian, or any responsible adult.

Data Sharing

We do not sell or trade your information to third parties. We may share your necessary information with third party API service providers to enhance user experience and provide you advanced services or as required by law.

Security Measures

We take appropriate measures to protect your information from unauthorized access, alteration, disclosure, or destruction.
