In order to provide the most instruction to each child, allow for practice, and deal with gym space, we will only have room for a certain number of campers per session. Therefore, running camp will have a maximum number of **60 campers**, volleyball camps will have a maximum number of **50 campers**, and basketball camps will have a maximum number of **40 campers**.

Camp numbers will be updated daily on the registration page for the camps. Once we reach the maximum number for that camp session, it will be closed. Make sure to sign-up as soon as possible to guarantee a spot in the camp of your choice.

Please do not email regarding getting into a camp that is already full. The website will show open slots that are available, as well as slots that may open up due to cancellations. However, it will be up to you to check for openings. There will not be a waiting list.
