

STUDENT PERSPECTIVES PANEL

September 24 at 4:00 PM, Wilson Hall

go/clifford

Student-only event!

The climate crisis confronts each of us with urgent questions and bewildering choices about how to live, what to learn, what to do, where to go, and who to be at this momentous historical crossroads. In this Clifford Symposium, students themselves will have the opportunity to share their own reactions, reflections, and perspectives on the big questions that define the themes for this symposium; student organizers will help connect these big questions to traditions of activism on this campus and ways of getting involved.
