Hello SDUHSD Middle School Families,

October, 2024

Please be aware that SDUHSD staff members will not fulfill any requests for subjective ratings, letters, or recommendation forms for private school admission. We prioritize serving SDUHSD students and their progression within our district.

You can print educational records such as transcripts, grades, and attendance from the Aeries Parent Portal. If any educational records are not accessible via the Aeries portal, please request them from the school registrar by the parent/guardian/educational rights holder.

Requests for records from a new school where a student is enrolling or attending should be directed to the school registrar.

Best regards,

Bryan Marcus
