

Hi, Parents!

The Tustin Public Schools Foundation is hosting its annual Teacher of the Year Dinner on [INSERT DATE], and [INSERT TEACHER'S NAME] shared that [HE/SHE] would love to attend.

Tickets for the event are \$75, and we thought it would be a meaningful gesture for our class to cover the cost as a token of appreciation for all the dedication and care [HE/SHE] has shown this year.

If you'd like to contribute, please Venmo me at [INSERT VENMO TAG]. Any additional funds collected will go toward our end-of-the-year class party. This is completely optional.

Thank you so much for your generosity and support! If you have any questions, feel free to reach out.

Sincerely,

[INSERT ROOM PARENT NAME]
