

DJ LESSONS STUDY PLAN

PRICES:

1 Lesson: \$90 per 90 min lesson.

1 month: \$299 per month.

3 month: \$283 per month.

6 month: \$249 per month.

12 month: \$208 per month.

Please note each month includes **4 private, one on one** classes that are **1 hour 30 minutes** long each. **Prices described above are to be paid monthly.**

At Third Tribe, we believe that every person has their own unique way of learning, so you are free to choose to prioritize any of the courses/topics in our study plan. This plan is just a guide for the many different topics you'll need to know to become a professional producer.

GOAL

By the end of this program, you will be able to efficiently perform as a DJ in front of a crowd, as well as creating professional mixtapes ready for distribution on social media and music platforms like Youtube, Soundcloud, etc.

COURSES

BEGINNER

- How a DJ setup works: basic overview of the DJ equipment
- An introduction to digital DJing via Traktor Pro and/or Rekordbox
- Introduction to Pioneer DJing Equipment
- How to organize music and preparing it to play on any professional

equipment via Rekordbox

- Basics of song structure and how to count beats
- Basic Beat Matching by using the sync function
- How to perform a basic mix/blend of two songs
- Introduction to mixing using EQ
