## Ottawa Wildflower Seed Library Plant and Seed Donation Form

## **Donor Name:**

Please download this form, <u>fill it</u> and then submit it to the Library either in person during our events or to your seed packing coordinator. The form will be reviewed prior to accepting any seed or plant donation to ensure that only viable, straight species are donated so that we preserve the genetic diversity and integrity of our native plants. More information about our donation guidelines are available <u>on our website</u> .  Disclaimer: by donating seeds or plants, you are complying with our <u>Genetic Diversity Policy</u> and <u>Ethical Harvesting Policy</u> .				Approx number of plants gathered from	Were these wild gathered?
Common plant name	Latin plant name	All locations acquired and year	All locations harvested and year
