

More Gardens' assessment for License Agreement and beyond: is for all community gardeners and their representations to go to the State Attorney General and jointly bring back NYC administrators to the table and re-enforce the Garden Agreement made 15 years ago re-writing the illegal as well as unjust "Parks Rules". Creating a new set of agreements where the community gardeners are in a representative partnership with NYC Parks and the community gardens are listed by city administrators as what they truly are: "Parkland" !

Below is the new license agreements, without much input that I can tell from community gardens representing gardeners, that were mailed by GreenThumb/Parks on the week of April 15, to community gardens' contact persons. The highlighted changes from the previous agreement dated 2014 are in bold (this was gratefully forwarded from a Lungs email). During my position as co-director of Legislative committee, I oversaw the writing of the following letters with our lawyers and the board.

Here are:

- 1- [link](#) "NYCCGC's letter in 2010 asking State Attorney General Cuomo to back our position with the draconian new rules (they did back of a key sentence in regards to keeping community gardens in Parks). The State Attorney General's (Spitzer) Agreement is included of the letter,

Upon request, GreenThumb may work with the Licensee to create appropriate signage, provide a sandwich board to place on the sidewalk welcoming visitors and guests, and suggest links to neighborhood organizations, school and community groups to assist with these open hour requirements. Parks may conduct spot checks to see that the required public access is maintained, and if the Garden is not open at the designated time and/or the minimum number of hours per week as set forth above, may terminate this License.

B. The Commissioner, their representatives, the City Police and Fire Departments, and other City agency representatives shall have access to the Site at all times for any purpose.

Parks retains the right to keep for its own use any items left in the Garden after this License expires or is terminated.

10. Assumption of Risk.
