- 2. Spiritual:** Be a resource—an inspiration—to one of your colleagues.
- 3. Social:** Post to TEC21 Educators Group on Facebook. It can be a comment, an answer to someone's question, a resource, a picture of you teaching and/or your students learning, or a sample of a digital assessment you used with your students.
- 4. Social:** Registration for the TEC21 Workshop Program for the 2020/2021 school year opens on January 2, 2020. Please encourage a fellow teacher to join us next year! Share with them the value of connecting with other Lutheran school teachers and the impact it's had on you and your students. Thank you in advance for supporting our mission and vision and being an ambassador for TEC21 whenever you can! #TEC21lcms #LutheranSchoolsThrive #LuthEd

October TEC21 Challenges:

- 1. Digital:** Engage your students in a digital storytelling activity or project. Share your experience by posting for others to see!

2. Social: Post a question, an answer, a resource, a picture of your students working on digital storytelling, or an example of student project to the TEC21 Educators Group on Facebook.

3. Spiritual: Be a kind and encouraging resource to at least one person on your faculty before we meet again.

September TEC21 Challenges:

1. Digital: Explore one thing you took away from Thursday's workshop and see how it might be used in your classroom. If you get a chance to use something that we explored or that you found, we would love for you to share your experience when we meet again in October!

2. Social: If you are comfortable, feel free to ask a question(s), post a comment(s) or like a post(s) via TEC21 social media. As a result, we will connect, share, inspire, grow, and support one another making our Lutheran schools thrive!

3. Spiritual: Lastly, if you have time, I would encourage you to find someone in your PLN (personal learning network) either online or where you work and do ONE of the following:

- a. Ask them about something you heard they were doing that interests you.
- b. Ask them about something they wish they could do in the classroom with tech but don't know how and bring it back to our group to explore in October!
- c. Or connect this person with a resource that you saw this month that you think might help them personally or professionally.
