

## Trinity Park Church – Missions Support Request

As you seek financial support from Trinity Park Church (TPC), we are interested in knowing more about you and your work. We desire to partner with few, rather than many, missionaries so that we can provide more substantial support to and become involved with the ministries of those whom we support. This will require us to thoroughly research and understand the ministries of those whom we consider, before choosing to provide support. Please return completed applications to [MIssions@trinityparkchurch.org](mailto:MIssions@trinityparkchurch.org). We consider applications on a rolling basis for inclusion into our next fiscal year budget.

### **Definition of Missions**

"Missions" refers to that work of the church whereby the Kingdom of God is advanced locally and globally through the preaching of the gospel, the meeting of physical needs, and the planting churches. The ultimate goal is the establishment of a gospel preaching church, where the work of the church will be taken on by local leaders.

We believe that any coherent, Biblical missions strategy involves raising up, discipling, and ultimately replacing oneself with indigenous leadership.
