VEX 123 Activity

More or Less

Play

Help your 123 Robot show the smaller number.
	Write two numbers on the tile, and put your 123 Robot between them, like this.
	Code your 123 Robot to point and drive to the smaller number.
	Press Start. Is your 123 Robot on the number that is less than?
	Shake to erase. Write two new numbers, and try again!

Challenge

Do the Math	**Greater than**
Write + or - math problems, and code your 123 Robot to point to the smaller sum or difference.	Switch it up, and code your 123 Robot to point and drive to the number or answer that is greater than.
