- @MazVN perhaps Akasha could use the time away from fandom, since it apparently stresses her out so much. I write "apparently" because I don't actually know Akasha, only know what she chooses to complain about in here and elsewhere in this fandom. Hopefully, time away will do her some good.

- @kitty, okay, if fandom isn't something you can find joy in, if it's something that stresses you to the point of despair, then you need to find a solution to that yourself. In your initial post on LJ, you said, before anyone offered help, that you "didn't have time for this shit".
- 01/27/13 07:11 pm
- [AkashaTheKitty](#)

- Kitty, all anyone is saying is that you should take some responsibility for reporting the plagiarism, instead of expecting it to be done for you. But you said yourself you didn't have time to deal with it. Why should anyone else care if you don't?
- 01/27/13 06:58 pm
- [AkashaTheKitty](#)
- @eilonwy last ditch comment as this is on my way out. It's not the time that's the issue. It's a mental drain that you can't possibly imagine. I simply Can't. Do. It. I can't phone the hairdresser either. You should try to learn to understand anxiety issues before commenting to some1 with them.

- @strawberrykait Right. It's awful, discovering your work has been brazenly stolen, but \*we writers\* need to step up and make sure it's stopped in its tracks. It doesn't take much time at all to report it, about five minutes. You report it and you're done.
- 01/27/13 06:54 pm
- [AkashaTheKitty](#)
- @all I will do the only thing I can and just... hang out in places where that's a non-issue while some of you congratulate each other for knowing fuck all about how spoons or triggers work. good on you that you didn't get "irrational".

- @kait? Thank you !

- [AkashaTheKitty](#)
- @kait I was horribly horribly triggered so thank you for being so classy about that. or not. I did not EXPECT a thing. I asked if anyone could assist and they did. What a crime. @all the fact that it's apparently okay not to respect when people are getting upset is making me feel entirely unwelcome.
- 01/27/13 06:51 pm

- [Bunney](#)
- @kait, I wouldn't presume to expect others to take care of it for me. And that is all I have to say about that
- 01/27/13 06:49 pm
- [Bunney](#)
- @kait, it could have been taken care of.
- 01/27/13 06:48 pm
- [Bunney](#)
- @kait, really the issue is not that people helped her on her behalf. I did that for @eilonwy when she was plagiarized. The difference was that she was traveling and it was difficult bordering on impossible for her to do anything herself. In the length of time it took to write up a post about it,
- 01/27/13 06:48 pm
- [strawberrykait](#)
- And furthermore, if an author was unconcerned enough to report the plagiarism his/herself, it astonishes me that so much vitriolic remarks should be made at those who are concerned on his/her behalf. Very poor taste.
- 01/27/13 06:47 pm
- [eilonwy](#)
- @strawberrykait :-) Thanks, @kait! That means a lot!
- 01/27/13 06:46 pm
- [strawberrykait](#)
- I have not been so misfortunate (or possibly so idolized) to be plagiarized, but I would like to think that my fandom friends would do me the courtesy of bringing such instances to my attention. I would not ASSUME nor EXPECT them to take the issue further, because doing so would be my responsibility
- 01/27/13 06:44 pm
- [strawberrykait](#)
- And applause for you, too, @Bunney. Yes, many of us are familiar with the problems of others who are very outspoken and seemingly eager to fight for fighting's sake.
- 01/27/13 06:41 pm
- [strawberrykait](#)
- I applaud you @eilonwy for having the courtesy to suggest, from one author to another, that s/he could take the time otherwise spent writing stories (or ranting/bitching in the SB) to defend his/herself. WELL SPOKEN!

- @True, but adults need to know how to control that sort of response. And again, we all have problems, some of them quite serious. Everybody does. And that includes depression, among other things. It's not an excuse for a lack of civility or an irrational rant instead of an adult exchange of ideas.

- @River really the idea of someone having a convo like that is NOT original and everyone is welcome to it. This author, however, failed to make it her own.
- 01/27/13 04:05 pm
- [eilonwy](#)
- @akashathekitty No need to actually shout. That's already kind of rude and completely uncalled for in a friendly forum, imho. Everybody has problems. That's life. You know nothing about me or my life to assume that I don't understand. That's patronizing. I made a simple point about what I feel...
- 01/27/13 04:05 pm
- [AkashaTheKitty](#)
- @Gurr! Indeed she did. Everything is well in hand.
- 01/27/13 04:05 pm
- [River in Egypt](#)
- @kitty I checked out the link and then your story and bam, the "You had one before?" part stuck out like a beacon. I've had it before that I had ideas of a plot bunny or a phrase and then read them somewhere else two days after writing them, but not word for word. It's hard to be original but what
- 01/27/13 04:04 pm
- [SlytherinGurr!](#)
- @kitty Correct me if I'm wrong, but it seems that you're not that fazed by this! I think it's sad that someone would have the guts to do that... I know that you have a tough life, with kids and your own personal problems! Didn't MeganM say that she'd help you?
- 01/27/13 04:00 pm
- [AkashaTheKitty](#)
- @eilonwy Oh ffff. NO, you do NOT see where I'm coming from. And since I have struggled for MONTHS to get to a point where I even CAN write I am now HUGELY offended, so really, I'm gonna end this convo before I say something REALLY RUDE.

(P.S. Clinical depression != BEING BUSY!) FFS. Grrrrrr.

- 01/27/13 03:47 pm
- [eilonwy](#)
- @River in Egypt Try having the first several chapters of one's entire stolen word for word! That's what happened to me over at FF.net, when somebody else began posting AWOOF as theirs.
- 01/27/13 03:46 pm
- [AkashaTheKitty](#)
- @eilonwy I bothered a little. I brought it to attention here, LJ, twitter and Tumblr (under the Dramione tag). I know bex-chan reblogged it and I have talked to her directly as well. Hundreds of people have seen it, some have flagged it to FFnet and MeganM has taken screenshots.
- 01/27/13 03:46 pm
- [eilonwy](#)
- @akashathekitty As a mother myself and a teacher, I understand where you're coming from regarding lack of time and energy. But if you have the time to write, it seems to me there's time to write a simple email, if it's important..
- 01/27/13 03:44 pm
- [AkashaTheKitty](#)
- @river If you check the comments to <http://akashathekitty...09079.html> then MeganM has compared two sections of the fic to the original parts - one of those sections is from Isolation. It's definitely too close for comfort.
- 01/27/13 03:43 pm
- [eilonwy](#)
- @akashathekitty I'm not demanding anything. But a writer's own input in reporting such an incident has a great deal more clout than that of any of her readers. That's a fact. Hey, you don't have to do anything at all. But don't you \*care\* enough to bother even just a little?
- 01/27/13 03:43 pm
- [River in Egypt](#)
- @all I can't understand how somebody can copy word for word parts of a story from a renowned fandom writer and thinks he/she can get away with it. It is bound to be discovered, no? There was a paragraph from kitty's story word for word. Isolation was too long ago but it all sounded awfully familiar.

- @eilonwy and as a writer with perhaps 10% of a regular person's energy on a GOOD day, 2 kids under the age of 5, and anxieties to boot, I'm not going to let something like that drain my energy for possibly weeks when I have better options. It's presumptuous to demand I should.
- 01/27/13 03:30 pm
- [eilonwy](#)
- @akashathekitty Of course, writers are under no obligation to defend their work when it's been stolen by an unscrupulous thief. When it happened to me, I \*wanted\* to do it. I was grateful for friends who jumped to my defense, yes. But I felt the responsibility was primarily mine.
- 01/27/13 03:29 pm
- [eilonwy](#)
- @Akashathekitty No lecture intended. But as a writer who has also been plagiarized, I feel very strongly about where the principal responsibility of defending one's work lies. If we're not willing to speak up for the integrity of our own work, why should we expect anyone else to, in theory?

- @Gurrl That's the thing, I don't actually worry. It seems to be well enough in hand by someone far more dedicated and proficient than I am, considering that I don't even know the other fic that's also been ripped off (Isolation by bex-chan). My stuff was even edited out of the fic today.
- 01/27/13 03:08 pm
- [SlytherinGurrl](#)
- @kitty  I think that someone will submit something and just don't worry about it too much!
- 01/27/13 03:01 pm
- [AkashaTheKitty](#)
- @eilonwy It just occurs to me that it could be that you perhaps weren't trying to lecture

me but actually thought it had to be the author in order to be an accepted report? If that's the case, sorry for the minor flip.

- 01/27/13 01:45 pm
- [AkashaTheKitty](#)
- @eilonwy Eh, not really? People report on other people's behalf all the time. I know lady\_of\_clunn got all the evidence together and reported for inadaze when her fic was ripped off and she didn't have the time to do it herself. Bottom line, anyone can gather the necessary evidence and I don't...

- @akashathekitty I too have been plagiarized (not just passages here and there, but whole chapters of a story). Bottom line: while it's helpful to have supporters work on your behalf to protest what has happened, you as the author really need to be the one to report this to stop\_plagiarism.
- 01/27/13 01:30 am
- [SlytherinGurr1](#)
- @Kitty oh well. I'll read it here then! Btw: loved the chapter and how you added the personal connection to it! I hope that you're having a good day!!

- @Gurr1 Oh, and I think I forgot to respond to your question about posting Secrets on fnet... No, I'm not posting it there. It will contain smut (and mental illness, substance abuse, mentions of stuff like a suicide attempt and miscarriage) so that goes against their TOS in terms of rating.

- @Megan Ask and let us know what parts you think are from Iso? I am up to date on that

- It's bad when they do that. I haven't had a chance to read the copy, but know very well of your work @Akash and bexchan. I know most likely someone else knows the two stories better than so get to it and let us know the outcome.
