### Purple Day

### Field Day

Field day will be held on Friday, May 5. Field day will be 9:25- 12:15. This is a very fun day for the students here at WSES! It is designed as a culminating Physical Education activity that allows students to use many of the skills we have developed in PE. In order for the day to go smoothly, we need help from parents. We plan to have 19 activities for classes to rotate through. Parent volunteers are vital to making this day run smoothly. There will be no spectators at Field Day, so come help out and be a part of all the fun!

If you would like to help, please click this link

<https://www.signupgenius.com/go/8050D48ACAA29A6FB6-field> and sign up. We ask that volunteers please arrive by 9:00AM and plan to stay until 12:30PM. Please note, to be able to volunteer you must register with Wake County Schools Volunteer system at <https://www.wcpss.net/volunteer>. You may complete these forms online at your home this year.

Please contact Mrs. Giles at [Lgiles@wcpss.net](mailto:Lgiles@wcpss.net) with any questions!

We hope to see you out there!
