Amy, 30 years old.

Current state

In the past, she had a lot of caries and her teeth are quite fragile, so they are seriously damaged. Damaged teeth prevent her from having the smile she would like to have. She often has to keep her smile inside her not showing her teeth.

Dream state

She would like to have fully restored, beautiful teeth like her natural ones in the past. She could laugh without shame and would proudly show her teeth every time she smiles.

Roadblock

She doesn't know how to fix her teeth so they look natural.

Solution

Dentech dental crowns - perfectly fit her teeth and are made with special methods to look like her natural teeth so that no one will even notice that she wears them. With them, she will have an captivating smile that she will show with pride every time she smiles.
