Research Learning Plan

Date:

Date:

Student Researcher _____

Faculty Supervisor _____

Assigned duties:

1.

2.

3.

What skills will the student researcher require to complete the assigned duties?

1.

2.

3.

4.

Related existing student researcher skills/strengths:

1.

2.

3.

Training needs:

1.

2.

3.

Negotiated training plan, including timeline and individuals responsible:
(Example) Heather will complete the Tri-Council Human Research Ethics certification by September 15. This online module can be completed individually.

Negotiated outcomes plan:
(Example) Jordan will be proficient at using a Cary-50 spectrophotometer to collect UV-Vis spectra from liquid samples.
(Example) Mark will complete all statistical analyses (see 'duties' above) and prepare a written report describing significant results.
