

Golden Gnome Collection

Information Sheet

Date of Acquiry: [REDACTED]

Object Type: Mythical

Value: Cannot be Disclosed

This Golden Gnome set was acquired by the CIA after the events of Neighborville. These gnomes if put together in the right spot at the right time will open up a trans-dimensional gateway. This was obtained for our totally legal auction when [REDACTED] [REDACTED]. This item is of incredible value and so will only be presented to our top members. It's incredibly important that these do not fall in federal hands again nor the ancient gnome civilization. This got here [REDACTED] [REDACTED] it shouldn't be that hard right ?
