

## Late Start Mondays

Late starts are a one hour delay for buses and instruction. Please bring your child to school at 9am instead of 8am on those days.

Almost every Monday is a late start at Wingland for teacher meetings.

Instruction starts at 9:15am.

The day ends at the regular time of 2:35pm.

There is one Monday, October 21, 2024, that is not a late start because it is a minimum day during parent/teacher conferences. That is the only Monday that is not a late start.
