PayPal

All payments will be done through PayPal. Also, I will send you a PayPal invoice for your commissions, so requesting or directly sending money to me will be a no-go. Plus, we will figure out alternatives if you can't use PayPal. I will be doing a two-payment system where I send a rough sketch to make changes to, and then you'll pay half of the full price, which includes Paypal fees for me to continue. Then, after I'm done with the image, you will pay the other half before I release the photo to you. The commission will take a month to 3 month to complete because of my tight schedule so please be patient. I will keep you updated.

Setup

1. *If you're interested, please fill out the form, and I'll contact you for further details. [Form], If the form is incomplete or too different from ours, I will DELETE it so make sure you properly fill it out*

2. *Please (I cannot stress this enough) be very descriptive with what you want in this drawing, like the person (skin tone, hair color, eye color) and what they are doing and wearing. A picture will do if it is an existing character or fan art.*

3. *The first half of the commission will be paid upfront before I start sketching.*

4. *I'll send a rough sketch where changes can be made, but after that, no other changes can be made.*

Legal and terms info:

1. *When Commissioning me, you are agreeing to all the terms and conditions of the purchase, so please respect it*

2. *I have the right to deny a commission or charge a price depending on difficulty and reason*

3. *Any character made by my design with no reference or description by the commissioner will be owned by me.*
   3.1. *However, any character that you made will still be owned by you, either with ref or a detailed description.*

4. *If there was a misunderstanding or error on my side, then you can receive a refund. This also includes:*
   4.1. Emergency

   4.2. Around first payment

5. *You can cancel the commission before the first payment but after inking you can't.*

6. *Your commission is important to me and I get them done as quickly and efficiently as possible, but I will be working on other projects on the side that I see fit.*

7. *After the commission, you can do anything you want with the drawing, but just do not claim it as your own work. Plus, I will post it to my various sites if I want to*

8. *I will not edit a commission I've complete unless I missed something in the original description/ref or changes during the sketching period. If the changes are during the inking and coloring processes I do not know how to help you, man.*

Draw

I will draw almost anything (Sfw/Nsfw), <u>But I will not draw</u>:

- *real people*

- *absurd OCs (pony, sonic, rainbow-colored neon lite characters)*

- *scat*

- *NSFW Lolicon (can be negotiated)*

- *NSFW Futa, dickgirls, herm, and cboy (not my cup of tea)*

- *toddlers*
