

This girl got 10k followers. She's a fitness influencer and sells meal prep delivery. Her instagram is @onseasonmeals if you want to take a look. I already sent the DM but the feedback will be used for future outreach. Thanks for the feedback G

Hey onseasonmeals,

I saw on your instagram page that you're selling meal prep delivery.

I help businesses like yours get more buyers and make more money by creating more engaging landing pages.

Would it be of interest to you for us to have a conversation?
