

Online Class Recording Opt-Out Form

Due to restrictions related to COVID-19, EQA Schools has adopted an online learning model for the 2020 school year. While the specifics of this model will adjust throughout the school year, there will be a reliance on hosting online class sessions via the videoconferencing platform Zoom.

Online classes may be occasionally recorded. Online class recordings will only be shared amongst EQA staff, consultants and students; recordings will NOT be shared publicly, for-profit, or with any unauthorized entities. Recorded class sessions may be shared for the following reasons:

- Providing make-up lesson materials to students who miss their scheduled class time
- Sharing best practices for online instruction amongst teachers at EQA Schools
- Observing and giving feedback to teachers by EQA leaders, staff, and consultants
- Observing students for the purposes of evaluations or to insure other appropriate supports

All parents have the option to opt-out of their child being recorded while participating in online Zoom class sessions. In order to opt-out, please complete the below information and return this form to your child's school.

I, _____ (print parent's name), parent of
_____ (print child's name) request that my child is NOT
