

World Assembly

Resolution #021 (2023) “Running Mates”

The World Assembly,

Believing that the League can add a more interesting way to World Assembly Presidential and Inspector General Elections,
Hereby enacts the following(s):

1. Chance for a World Assembly Presidential or an Inspector General candidate to campaign with a running mate:
 - a. Candidates in the aforementioned election periods may campaign with 0-2 running mates,
 - b. Candidates in the aforementioned election periods shall indicate their desire to live with this opportunity in the sign-up period, registering their desired running mates along with themselves,
 - c. Running mates shall only campaign with the permission of their World Assembly President/Inspector General candidates,
 - d. Running mates shall only campaign and on behalf of and vote for their World Assembly President/Inspector General candidates,
 - e. In case of a running mate allying with other candidates, the World Assembly President/Inspector General candidate with whom he/she first allied may remove his/her running mate.

This Resolution, with all its additions, shall take effect with the next World Assembly Presidential Election.
