

# Opus translation campaign document

**Notice!** After speaking with translators and the team, we have decided to increase the time limits. Time to provide updates and maintain reservation: 2 days. ANN completion: 6 days. Whitepaper translation: 8 days

Please do manage your threads. After crowdsale ends, do message us the number of posts you have made in your ANN thread and we will check and credit the appropriate amount of extra bounties!

Please direct updates and issues to the #translationcampaign channel on slack.

**Clarification: You don't need to translate the bounty thread as well. You can simply link to the main one at the end of the ANN post**

**Folder with images of ANN without text here!**
