

To Whom It May Concern,

We are the Niagara Frontier Gymnastics Association. The NFGA is a non-profit organization (Tax ID 231823) that gives girls in the Western New York community an opportunity to train and compete at high levels as much as possible in a calendar year. We have a dedicated group of young athletes who are passionate about gymnastics and committed to excellence both inside and out of the gym.

Our team has been working incredibly hard this year, and we are thrilled to have the opportunity to compete in many competitions over the next 12 months. These events are not only a chance for us to showcase our skills but also to learn valuable lessons such as teamwork, perseverance, and sportsmanship.

However, participating in these competitions and training requires significant financial support. This includes the cost for travel, leotards, equipment, competition fees as well as, the cost of facility use and hiring highly qualified instructors. As a community-based team, we rely heavily on the generosity of local businesses and individuals to help us achieve our goals.

We are reaching out to you to ask for your support. Any donation, no matter the size, will make a tremendous difference and help us continue to pursue our dreams. This can be your chance to be a part of the development and success of these highly trained athletes and be recognized by the community as leaders in supporting youth sports.

If you have any questions, please feel free to reach out to us directly!

Many thanks for considering our request. Your support will not only help us compete but also inspire us to strive for excellence in all aspects of our lives. If you have any questions or need further information, please do not hesitate to contact either of us. Sarah McLaughlin (716)622-7047 or Jen Huchzermeier (716)523-8946

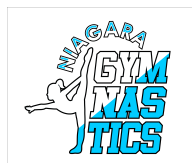

We greatly appreciate your time and consideration and hope to hear from you soon.

Sincerely,

Niagara Frontier Gymnastics Association
