

# Performance Task Instructions

---

The time has come for you to take the information that you have learned throughout the studio to help you complete your photo essay. You will be selecting **10 photos** from the links provided below to analyze based on the path that you chose to deep dive into. Use the links as a starting point because you are **NOT confined** to just these sites. You may use political cartoons as a few of your chosen photos.

## Step-by-Step

Your final performance task must include:

- **A title slide...** with a hook
  - **Objective slide-** What are you writing about (main idea)?
    - Identify which of the three (immigration, industrialization, or imperialism) you have chosen and why.
  - **10 photos** you have chosen to analyze. Each photo slide should include:
    - The answers to the following questions: (Remember, your responses need to be in sentence form.)
      - What do you see in the photo?
      - What impact did the actions going on in this photo have on history?
      - What are some questions you have about this photo?
      - Can you make any connections between the photo and current-day realities?
  - Works Cited slide- in MLA format
- 
- To help you with your Works Cited page:
    - Ask yourself: Am I using credible sources?
    - Be sure to use the citation generator under the “Tools” tab at the top of the page
