

A Companion To Capital - David Harvey (we have a copy in the library)

[David Harvey's lectures](#)

An Introduction to the Three Volumes of Karl Marx's Capital - Michael Heinrich

[How to Read Marx's Capital: Commentary and Explanations on the Beginning Chapters - by Michael Heinrich \(the beginning chapters are the most difficult, so this could be useful\)](#)

An excellent podcast, highly recommended by many comrades in the chapter, that breaks down Capital section by section. <https://open.spotify.com/show/39RaoqJomZdxOEoeqpltno>

Early episodes from season ten of the Revolutions podcast are highly recommended to those who want to learn about Marx's life and involvement in the socialist struggles of mid to late 19th century Europe. Check out episodes 10.1-10.4. Continue going to 10.8 to hear about early anarchist theory and the legendary rivalry between Bakunin and Marx.
