Literacy Intervention

Area of Reading: Fluency, Comprehension, Vocabulary

Name of Intervention: **Reading Plus**

Who is it for: Students in Grades 7-12 scoring less than a grade-level below their Capacity Index as measured by the Reading Plus InSight assessment (students who have a year or more below grade level in comprehension and vocabulary).

What is it: Online, adaptive skills-based intervention and assessment

How is it implemented: Students have weekly goals based on a screener and receive adaptive tasks with some self-selected topics.

How do you know it is working? (Progress Monitoring): Weekly/daily review of achievement combos (2 or more scores of 80% on the formatives)

Who can deliver it: Reading specialist, special educator, or literacy coach

Training Involved: Instruction provided by Taylor Associates in both traditional and digital workshops.
