The event Microverse is an online quiz event based on the topic Microprocessor and microcontroller conducted by IEEE Circuits and Systems Society on 25th November 2023. The event started around 6:30 pm in Google Meet and over 400+ students registered for the event through Google Forms and the respective students joined the WhatsApp group to give them further instructions about the event. The quiz was organized using the menti.com platform Over 330+ students participated in the quiz. The rules of the quiz were instructed to the participants through Google Meet. Totally 25 questions were asked in the quiz regarding microprocessors and microcontrollers. The quiz was ended by 8:00 Pm and a feedback form was shared with the participants. Ecertificates were provided to the participants and the winners certificates were given to the top 5 winners of the quiz.
