I give my student permission to participate in Science Olympiad:

- Either my student or I will notify the Event Coach when absent from practices.
- I understand that after three unexcused absences my student's position on the team will be in jeopardy.
- I understand Science Olympiad is a student competition; therefore, I will not build my child's device. I may help only if a dangerous tool is needed for the device to be completed.
- I will provide the necessary support for my child to succeed in their chosen events as well as for the program itself (provide transportation, attend practices as necessary, donate food, volunteer, etc.)
- If my student is selected to compete at Regional competition, I understand that my student must continue to attend practices. If my student is asked to pick up new event(s) he/she will do so. If he/she declines, I am aware that his/her position on the regional team may be in jeopardy.
- I understand that teams (including but not limited to partners and event assignments) will ultimately be assigned by the Head Coach/board.
- I understand the decisions of the Head Coach and/or officer board are final regarding all aspects of running Science Olympiad at RBHS; including, but not limited to, regional team placement and State team selection.
