

CA rat and a cat

A rat and a cat went out one day
They walked to the park, then started to play
And they laughed and had fun
They decided to run
All the way to Japan!
There they stopped near a tree
And had a cup of tea
Oh! They were so happy!
And they met Snook the snake!
And they ate a big cake.
And they played and they played
And they danced and they danced.
Oh! They wanted to stay
Till the end of the day.
But it was time to run and go back to Britain.
