Family Discount

Tiered Family Discount

Family discounts are available to single payers who have two or more children attending Wildwood Montessori School. This discount is applied to the tuition fees of the child with the lowest tuition rate. Discount structure is as follows:

- First Child: Full Tuition Fees
- Second Child: 10% discount on tuition fees
- Third Child: 15% discount on tuition fees
- Fourth Child and beyond: 20% discount on tuition fees

Parent Jobs

Appointed and Volunteer

In an effort to strengthen our school-family partnership, parents have the option to apply their skill-sets and time to specific school jobs that we would otherwise need to outsource. If interested, parents are invited to fill out the “Parent Job Application” upon admission. These jobs are appointed based on best fit, and as needed. There is a monetary value unique to each job that may be applied toward your student tuition.

Annual Fund

Our school is working towards adding a Foundation (registered charitable 501c3 organization), which means that donations made to our school foundation will be tax deductible. We are deeply committed to offering high-quality, individualized education at affordable tuition rates. This is made possible through the generous support we receive from our Annual Fund. You are encouraged to participate according to your means. We will update families on the status of this application and foundation as information becomes available.

Examples of how we plan to utilize the Annual Fund:

- Acquiring additional classroom supplies and work
- Helping to cover the costs associated with field trips and inviting knowledgeable presenters to our school, enabling our students to broaden their horizons.
- Additional Professional development opportunities that help us stay at the forefront of innovative teaching practices.
- Our teachers are beyond dedicated and they are the heart of our school. The Annual Fund allows us to show our appreciation with gestures such as lunch on a Teacher Work Day.
- Helping support Financial Assistance
- Helping support Summer camp scholarship opportunities

Annual Fund donations can be made by parents, community members, and grandparents. Some families choose to round up on each tuition payment. Please check with your employers as many will match your donations. Small amounts make a difference.
