Remote Control Drawing Mapping

Directions:

- To help you do a better job of coaching your partner through this activity in the future, draw a "Memory Map" of <u>what it takes to be able to do a good job of **drawing the picture** in this activity</u>.

Names: _____

Class and Date: _____

Directions:

- Now, draw a "Memory Map" of <u>what it takes to be able to do a good job of **giving instructions** to the artist</u>.

Based on these two maps - what can both partners do to improve in this activity and give better feedback next time?
