

DSE Presents: Low Bar Low Ballin'!

When: Friday, July 18th, at 7:30pm

Where: Low Bar, 724 E Burnside St, Portland, OR 97214

Join us for another DSE production at the Palm Springs on Burnside, for a Target Matchplay + Group Strikes Finals!

Format: Target Matchplay qualifying. The target number of points will be 22, until at least 8 players have crossed the line. Tiebreakers for placement will be based on the number of rounds taken to reach 22 points, followed by the number of points earned. If there is a meaningful tiebreaker for points once crossed the line, the next action will result in a single-ball tiebreaker on a game TBD. If 9 players with no tiebreakers present among the final players across the line, we will flex and take 9 into the finals. If 10+ cross the line, the advancing players will be evaluated by the aforementioned tiebreaker scenarios: 1) number of points, 2) single-ball tiebreaker. (Assumes 16/18 players in qualifying)

Finals will be a slow-strikes knockout (aka: don't get last)! Player order will be set based on qualifying positioning (top seeds will go last, bottom seeds will go first) and will be evaluated after each round.

Entry: \$5, (ifpa dues covered by DSE!)

Prizes: Cash prizes to the top 3 open finalists and the highest placing player with the following credentials: outside of the IFPA Global Rank 2K + 4 or under PDX/MNP rating (PDX takes priority).

EB: 1 flip and no action button once the ball is in motion. Super Skillshot setup is OK and does not count as the flip, as long as the flipper is dropped once the ball is onto the playfield.
