

Cultivating Courageous Resistance Reading List

Women in the first Cultivating Courageous Resisters Project cohort received and read these books and quickly began incorporating them into their work in the church, classroom, and community.

We encourage you to purchase copies of these books from Black women-owned bookstores as you expand your own resources (<https://aalbc.com/bookstores/list.php>). Develop reading and discussion circles with others that you know. If you have additional books to suggest, send them to us at CourageousResisters@gmail.com.
