

Thank you for showing interest in Console Gaming League: Madden 20!

We are here to provide a fun, competitive, serious CFM. Looking to make a dent in the Madden and sports genre scene, this WILL be the place to play! We have amazing production value, and my goal is to stream games with announcers to make this the most legitimate and real CFM around.

Currently, I am in a CFM on XB1 called Lil Ballers. I am a commissioner in that league, and we are Top 5 in DaddyLeagues Elite XB1 rankings.

Please click on this link to see the rules:

Note: This will be our starting base rules. We can/will tweak if needed prior to the start of play.

You will need to join the CGL Discord:

Once in the discord, feel free to tag me : @WittyCalf605487#4789 so I can help get you the appropriate roles.
