🧠 My Daily Routine for Growth & Income

Morning (1 hr)

Learn 1 new thing about business, AI, or mindset

Write product/content ideas in Notion

Midday (2–3 hrs)

Make 1 TikTok, Reel, or YouTube Short

Build or upgrade my digital product

Research new trends or affiliate tools

Evening (1 hr)

Log progress in Notion

DM 3 people smarter than me

Disconnect, read, and recharge

The Digital Business Blueprint (What I Actually Do)

1. Create a Product

Ebook, Notion dashboard, checklist, or AI prompt pack

I use ChatGPT + Canva to create in under 48 hours

2. Set Up My Store

I host on Gumroad or Koji (free)

Price it between \$5–\$15

3. Post Content Daily

Show behind-the-scenes of building

Share wins, tips, and challenges

4. Automate Everything

Track sales + habits in Notion

Link everything in my Koji or Linktree

Add affiliate links to content, bio, and the starter kit itself

 My Notion Dashboard (Free Download)

I use this to manage my entire brand:

Goals

Habits

Product ideas

Content calendar

Affiliate trackers

Revenue log

> Pro tip: Create a Notion or Koji page with all your affiliate tools. Call it: “🔧 Tools I Use to Build My Business”.

🎯 Final Words

You're not too young. You're early.

You're not behind. You're ahead.

This is the best time in human history to build something real — from your phone.

All you need is focus, systems, and consistency.

Let's build.
