

The Preaching of the Gospel

Unashamed // Romans 1:14-15

UNASHAMED

INTRODUCTION

Briefly review from previous lesson. (5-7 minutes)

- The place of the Gospel, God's church, is about people, not property.
- The greatest step of faith we can often take is out of our own comfort zones.
- God has gifted us so that we can invest in showing others His love.

Question: What comfort zone or routine have you identified that could be reevaluated to improve your spiritual growth?

Leader Example: Be prepared to "lead by example" by sharing your answer with the group to encourage others to do the same. Ideally, let 2-3 others share after you.

How can we 'preach' the gospel through our actions and attitudes in our daily lives?

Leader Note: Before starting the video, have everyone break out into groups of 4-6 to prepare for discussion. During discussions, move around to different groups to help engage conversations and ensure everyone is staying on topic.

Discussion Question 2: How does recognizing the diversity of people (wise/unwise, Greeks/Barbarians) impact our approach to evangelism?

Preaching the Gospel is not solely the responsibility of the pastor in the pulpit, as every believer should be eager to proclaim the good news of Jesus in their daily lives.

Leader Emphasis: Discuss how the message of the gospel is relevant for all people regardless of their background or perspective.

CONTINUE VIDEO. PAUSE AFTER QUESTION 3. ALLOW 5-7 MINUTES FOR DISCUSSION.
