Anyone can edit this doc, and the page is updated based on the edits as soon as possible. Don't forget to drop messages in #wiki-contribution chat on Discord! (https://discord.gg/xN8aBad)

How to Use the Doc & Rules

- You can write/edit on this doc to share your tips! Notes on this doc will be uploaded to the web page.
- You don't have to "save" progresses. It's automatically saved.
- Don't spam, troll, and harass others.
- Any past versions of this doc can be recovered.
- You can simply write a note on this doc or you can use "comments". Check this to see how to use that.
- You don't have to make a table on this doc. Just put the info/data for the table and the owner of this doc will make a table when uploading that info to the page.
- Keep in mind that the notes you make on this doc won't be added to the webpage instantly.
- Don't forget to put your IGN (in-game name) beside notes to get credit on the web page!

This Doc is For

- **Making notes on how to use Frederika and her roles**
- **Sharing tips about Frederika**
- **Comparing her to other units**
- **Discussing her tier**
