

TEXAS TRAVEL INDUSTRY PARTNER RESOURCES

Prepared by the Travel Information Division

Updated Oct 17, 2025

GREETINGS from the TxDOT Travel Information Division

Our programs and partnerships with the Texas tourism industry play a vital role in the state's prosperity. This resource guide summarizes the resources—most of them free—that TxDOT offers to enable you to promote your destinations and attractions.

THE DIVISION:

- operates 12 **Texas Travel Information Centers**, which host millions of visitors each year, at strategic locations around the state;
- hosts **safety-awareness events** at Travel Information Centers, including programs on distracted driving and proper use of child car seats;
- operates **DriveTexas™**, the state's Highway Condition Report, which includes an interactive website and the 800-452-9292 number providing road conditions; travel-planning information; and public assistance during major weather events and state emergencies such as hurricanes, flooding, wildfires, and severe winter storms;
- administers the department's litter prevention programs—the **Don't mess with Texas®** public education campaign and the **Adopt-a-Highway** volunteer program
- publishes the state's official travel magazine, **Texas Highways**;
- produces and publishes travel literature for the state of Texas, including the annual **Texas State Travel Guide**, the **Travel Map** and the quarterly **Texas Highways Events Calendar**;
- provides fulfillment activities for Texas travel-information inquiries, including the responses generated by advertisements placed by the Office of the Governor, Economic Development & Tourism.

Not sure where to start? Get in contact with **Lois Rodriguez**, our division's travel industry liaison. Lois is eager to help you make the most of what we can offer your organization!

"Texas is an incredible and diverse place. It's an easy sell, but still the work can be challenging. I hope our tourism industry friends know that we're in this with them. I see us as one big family, and there's nothing better than coming together to work for a common goal. Travel Texas!"

Lois Rodriguez

SERVICES

The TRAVEL SERVICES, PROJECTS, AND CAMPAIGNS section operates the 12 Texas Travel Information Centers, the DriveTexas™ website, and Travel Information Line. It also oversees anti-litter and clean air education campaigns. This group maintains close liaison with members of state and local governments, chambers of commerce, convention and visitor bureaus, and commercial attractions to promote the state's travel and tourism program.

Texas Travel Information Centers

TxDOT's 12 Travel Information Centers (TICs) welcome about 1.4 million visitors each year, generating over \$71 million in visitor spending in fiscal year 2022. Professional travel counselors assist with travel routes and provide current information on points of interest, events, and up-to-date road conditions. They also serve as the first line of communication with the public during statewide emergencies affecting travel.

TICs are the largest distributor of travel literature in the state and one of the largest in the nation, circulating marketing materials for an estimated 1,500 destinations and attractions. Much of that literature is produced by chambers of commerce, city convention and visitor bureaus, hotels, and attractions.

Travel counselors receive extensive training through various internal and external programs, including the Achieving Service Excellence course for new travel counselors, the Texas Travel Counselors Conference, Texas Travel Alliance Study Tour, and the Certified Professional Travel Counselor program. They also answer the TxDOT Highway Conditions phone line (see the DriveTexas™ section).

Stars mark locations of TxDOT's 12 Travel Information Centers around the state.

- 24-hour security surveillance
- 24-hour restrooms
- "Welcome to Texas" photo opportunities
- Covered picnic tables and group facilities
- Accessible

Not all services are available at all locations

Frequently Asked Questions

Can I get my materials distributed at the Travel Information Centers?

Public and private entities are encouraged to assist in the promotion of travel and tourism by participating in the distribution of their travel literature through the Texas Travel Information Centers.

Literature displayed and distributed by the centers should be 100 percent Texas travel/tourism oriented. They may contain prizes or contests so long as they are related to the travel industry and should contain minimal advertising not associated with the subject matter.

Scan the QR code to see detailed policies and guidelines for literature display, or click on the below link.

<https://www.txdot.gov/about/partnerships/travel-industry-partners/display-my-travel-literature-in-the-tics.html>

To have materials added to those available at the centers, samples of first-time (or newly produced) brochures need to be sent to the Travel Services Section headquarters for approval:

Travel Services Branch

Texas Department of Transportation, Travel Information Division

125 E. 11th St., Austin, TX 78701

Please note, once materials are approved to send to the Centers, only prepaid shipments will be accepted. For questions, please email TRV_TRV-LIT@txdot.gov.

Can I partner with a Travel Information Center for an event?

Yes! The 12 Texas Travel Information Centers host numerous public events to promote tourism and public safety awareness. Events are often held in partnership with convention and visitors' bureaus, local attractions, and TxDOT traffic safety campaigns.

Even outside of planned events, our tourism partners are always welcome to come set up a table and talk to visitors.

Contact your nearest Travel Information Center to discuss partnership opportunities!

PROJECTS

Texas Travel Counselors Conference & Texas Travel Expo

The section coordinates an annual four-day cooperative training conference involving Texas Department of Transportation Travel Division staff, city information center counselors, Texas Highways magazine staff, and Texas State Parks employees. The conference offers educational seminars, area study tours, and the opportunity to network with other industry travel counselors.

As part of the conference, the Texas Travel Alliance's Texas Travel Expo (formerly Texas Travel Fair) is an annual trade show providing exhibitors the opportunity to discuss their destinations, attractions, or events. Registration includes scheduled appointments and other activities designed to put you face-to-face with travel counselors during the trade show and at associated informal events.

DriveTexas™ and the Highway Condition Info Line

DriveTexas™ delivers up-to-the-minute highway and travel conditions information to motorists via a user-friendly interactive map and TxDOT's Travel Information Line. District maintenance personnel in the field enter conditions into the Highway Conditions Reporting System (HCRS).

The site is designed to work on mobile and desktop devices. The user-friendly interactive map site includes information on highway closures, accidents, and construction; locations of traveler resources such as Travel Information Centers and safety rest areas; and a traffic feed. Users can also search by highway, location or condition to find travel information.

The website and toll-free number make information available to travelers in any location, promote public safety, and encourage increased travel in Texas.

DriveTexas.org received 2,026,259 visits during FY 2021, and 3,249,200 visits through July 2022.

Travel counselors play a key role servicing the toll-free number, particularly during weather emergencies, when call volume increases dramatically. Counselors give out information about road closures, contraflow and evacuation routes, shelter locations, food and water distribution points, power outages, missing persons information, lists of hotels that accept pets, and much more. Through July 2022, TIC staff answered 20,708 road condition calls. In fiscal year 2021, they answered 45,487 calls.

Interaction between DriveTexas™, the phone line, and the Travel Counselors

The "yes" arm for "request Spanish?" can follow the same as the "no" arm. Our new IVR can read out and understand automated information in Spanish.

Frequently Asked Questions

How can my destination attend the Travel Counselors conference?

If you are interested in registering for the full week of the Texas Travel Counselors Conference (TTCC), please contact Elizabeth Watson. Attendance is required at all scheduled activities during the four days. Booth space at the Expo is available separately; contact Jennifer Roush at TTA to register as an exhibitor.

Are there TTCC sponsorship opportunities for destinations? How can I host TTCC in my city?

Yes! There are a wide variety of sponsorship opportunities coordinated by the host city each year. Bids to host the conference are organized about three years in advance. Please contact Elizabeth Watson for details.

Can I attend the conference and register for a booth?

Yes! Many city tourism and visitor service professionals do both. Contact Elizabeth Watson for details.

CAMPAIGNS

Don't mess with Texas®

Since 1986, Don't mess with Texas® has channeled Texas-sized state pride to remind Texans to keep trash off our roads. The litter prevention campaign has been a great success thanks to the iconic red, white, and

blue trash cans and fellow Texans such as George Strait, Matthew McConaughey, and Willie Nelson helping to spread the message. With an estimated 435 million pieces of trash cluttering our roadways each year, Don't mess with Texas continues to educate and empower citizens to create a cleaner state for visitors and Texans alike.

Don't mess with Texas has recently enlisted the help of a new "spokesbarrel" to help educate young Texans about the program. Darrel the Barrel makes appearances at events around the state to engage kids of all ages and teach them that Don't mess with Texas means: Don't litter!

Programs administered by Don't mess with Texas include:

- **Don't mess with Texas Scholarship**—An annual scholarship contest that recognizes the achievements of high school seniors who have taken a leadership role to prevent litter in their school and/or community.
- **Don't mess with Texas Trash-Off**—Trash-Off is the single largest one-day cleanup event in the state and serves as the signature event for the Great American Cleanup. Each year Don't mess with Texas and Adopt-a-Highway work together to encourage pickups statewide.
- **Educational materials** - we're proud to introduce additional materials developed specifically for Pre-K through 12th grade to continue to spread the message and keep Texas clean.

Adopt-a-Highway

Adopt-a-Highway is a Texas-born volunteer program that began in 1985 at TxDOT's Tyler District office. Volunteer groups agree to pick up litter four times a year on a two-mile stretch of state-maintained roadway for two years. Each group receives two blue AAH acknowledgment signs on their adopted roadway recognizing the group's efforts. The program provides a vital service in helping to keep Texas roadways litter-free in a rapidly growing state. Adopt-a-Highway has an estimated 3,300 groups and 34,000 volunteers statewide.

Adopt-a-Highway District Coordinators are responsible for adoptable roadways and volunteer agreements in their local area. To become involved, contact the nearest coordinator (listed in the appendix) for additional information about locations, eligibility, and logistics.

Apply online at <https://www.txdot.gov/about/campaigns-outreach/adopt-a-highway.html>

Governor's Community Achievement Awards

Since 1969, TxDOT has worked to award the Governor's Community Achievement Awards to Texas communities for their outstanding overall efforts to keep their communities beautiful. TxDOT provides close to \$2 million in landscaping awards to 10 winning communities, with each community receiving funds based on population size. Awards are used for landscaping projects along local rights-of-way.

Frequently Asked Questions

Is the Don't mess with Texas® slogan/logo trademarked?

Yes, Don't mess with Texas® is a registered service mark and trademark owned by the Texas Department of Transportation. The Don't mess with Texas name may not be used without the expressed consent of TxDOT.

For information on approved vendors and to submit a license request, visit <http://www.dontmesswithtexas.org/about/usage/>.

Report an unlicensed vendor at <https://www.dontmesswithtexas.org/about/report-an-unlicensed-vendor/>

Where can I buy officially licensed DMWT merchandise?

Don't mess with Texas merchandise is available in the Texas Highways Shop: <https://shop.texashighways.com/dont-mess-with-texas>.

What are Texas Litter Laws? Can Don't mess with Texas help me enforce litter laws?

You can be fined up to \$500 for trash less than or equal to five pounds or five gallons. Repeat the offense, and you could face a fine of up to \$2,000 and 180 days in jail. In Texas, failing to cover your pickup-truck load is against the law and carries a fine of up to \$200 for the first offense and

\$500 for repeat offenders.

Don't mess with Texas is a public awareness education campaign and cannot enforce litter laws. Only law enforcement officers can enforce litter laws.

Where can I find Don't mess with Texas PSAs?

All Don't mess with Texas Ads can be found online:

<https://www.dontmesswithtexas.org/the-campaign/ad-archive/>

How do I order Don't mess with Texas litter bags and stickers?

Contact norma.rios@txdot.gov.

How do volunteers Adopt-a-Highway?

Volunteers can apply online at <https://www.dot.state.tx.us/apps-cg/aah/contact.htm> or contact their local District Coordinator.

What roads are available for adoption?

TxDOT's Adopt-a-Highway program consists of state-maintained roadways that have been designated as safe for volunteers by the local TxDOT District Engineer and maintenance offices. Interstate roadways are not eligible for adoption. City and county roads are managed by their offices respectively.

Does the program cost anything?

No, it is free to join Adopt-a-Highway. It is suggested that groups provide their own gloves, water, and safety materials. TxDOT provides safety vests, trash bags, and safety signs.

Does AAH have sign guideline restrictions?

Yes, please review the Adopt-a-Highway website and speak with your local coordinator about sign names. TxDOT has the right to deny a request if the group or sign would jeopardize the program, be counterproductive to its purpose, or create a hazard to the safety of the traveling public.

What is Sponsor-a-Highway?

Texas Sponsor-a-Highway is a separate partnership between TxDOT and the privately owned Adopt-a-Highway Maintenance Corporation and managed by TxDOT's Maintenance Division (not the Travel Information Division). For a monthly fee, sponsors support roadside maintenance and litter pickups in exchange for a recognition panel with the company name and logo. Visit <http://texassponsorahighway.com> or contact 1-800-200-0003 for more information.

PUBLICATIONS

The TRAVEL PUBLICATIONS section of the Travel Information division produces and markets all components of the Texas Highways brand, consisting of a monthly magazine, website, e-newsletters, and the Texas Highways Mercantile.

In addition, the section also publishes a suite of complementary informational materials that are used by both the public and the travel industry, including the Texas State Travel Guide, the Official Texas Travel Map, and the quarterly Texas Highways Events Calendar. The section also operates an in-state literature distribution program designed especially for Texas cities with visitor centers.

Finally, the section oversees the Texas Travel Leads system, a database and website cooperatively owned by the Texas Department of Transportation and the Office of the Governor designed to collect names and addresses of people who have requested Texas travel information through various means, and shared with Travel industry partners to fulfill those requests.

Texas Highways

Designated the “Official Travel Magazine of Texas” by the Legislature in 1975, Texas Highways has evolved into an award-winning, multimedia brand, reaching about 1.5 million Texans and savvy travelers monthly. Top writers and photographers showcase the best of Texas’ people, places, and wide-open spaces. Destinations, attractions, and business mentioned in each issue benefit from the coverage.

Generations of Texans have come to rely on Texas Highways, for good reasons: rigorously fact-checked, a focus on authentic experiences, curated coverage, non-political and positive editorial content, and lots of practical tips to get a trip started.

Frequently featured categories include state and national parks; urban centers and small towns; cultural art venues; statewide events; historical features; accommodation and dining establishments; weekend getaway adventures; photographers and their work; unique Texas products and shopping opportunities; nature tourism excursions; and scenic landscape photography.

Frequently Asked Questions - Texas Highways

Can I order subscriptions for my business?

Yes! Whether you want to give your clients, employees, or customers some extra special thanks, or simply want to have plenty of copies available around your place of business, we have special rates for bulk and corporate subscriptions. For details, contact: Sabrina Ballesteros, Associate Publisher, sabrina.ballesteros@txdot.gov.

Can I sell copies at my business?

Yes! For details, contact: Sabrina Ballesteros, Associate Publisher sabrina.ballesteros@txdot.gov.

How do I get copies of a particular issue?

If your business or destination is mentioned in the issue, you will automatically be sent two copies. Limited copies of current and back issues are available in limited quantities. Not all issues are in print. Call for availability. Email ana.perez@txdot.gov or call 512-486-5858 from 8 a.m. – 5 p.m. central, Monday – Friday.

How do I request reprints and other permissions?

Articles and photographs appearing in Texas Highways are embargoed for a period of 120 days after the on- sale date of the issue in which they appear. After the embargo period expires, reprint or reuse permission may be granted under certain conditions. All requests must be submitted in writing to Editor in Chief Emily.stone@txdot.gov or Publisher Andrea.lin@txdot.gov.

How do I submit a story idea or photograph?

Texas Highways purchases freelance photographs and articles for print and web. Please review our submission guidelines at <https://texashighways.com/the-magazine/submission-guidelines>.

Where do I send comments to the Editor?

To submit suggestions, comments, or letters to the editor, please email us at letters@texashighways.com or write to Texas Highways Editor, P.O. Box 141009, Austin, Texas 78714-1009.

Where can I find a copy of Texas Highways on the newsstand?

Visit <https://magfinder.magnetdata.net> or email sabrina.ballesteros@txdot.gov.

Can I submit product ideas for the Shop?

Sorry, we are no longer accepting new product ideas for the Shop.

Texas State Travel Guide & Official Travel Map

Published annually, the 180+ page guide highlights publicly accessible sites in Texas of cultural, historical, and recreational interest and serves as the state's primary fulfillment publication. More than 500 cities are included along with details on events, state parks, lakes, national parks and forests, wineries, and scenic areas, and Texas Travel Information Centers.

Inclusion in the guide is determined by the Texas Administrative Code. Communities must have attractions that are of interest to

the public and have regular open hours.

Digital versions are available in several formats:

- As a **downloadable PDF** on EDT's website [traveltexas.com](https://www.txdot.gov/content/dam/docs/division/trv/travel-guide-2025.pdf) and through the Texas Highways website: <https://www.txdot.gov/content/dam/docs/division/trv/travel-guide-2025.pdf>
- As an interactive, searchable **website** at <https://texashighways.com/destination/texas-state-travel-guide/>

The Texas Official Travel Map is designed to show the maximum amount of information relevant to travelers in the most legible manner. Arterial highways and farm/ranch roads leading to arterial highways, communities, and recreational areas are included, as are airports.

Texas Highways Events Calendar

This quarterly publication features more than 1,000 listings of fairs, festivals, concerts, plays, exhibits, events, and cultural celebrations across the state—the most comprehensive collection of event information in Texas. The printed publication is distributed primarily through the Texas Travel Information Centers.

Listings are also featured in Texas Highways magazine and website, and on EDT's website, www.traveltexas.com.

A web-based database is in place to facilitate event information maintenance, make event submissions easier for travel partners, and simplify the process for uploading events information.

EVENTS CALENDAR CONTACT

Sarah Thurmond
Events Editor
texasevents@txdot.gov

Frequently Asked Questions - Travel Guide & Events Calendar

How can I get my attraction listed in the Guide?

Email TRV_Guide@txdot.gov to inquire.

How do you decide what listings go into the Guide?

Not everyone who wants to be in the Guide gets a listing; we must balance comprehensiveness of coverage with quality, meaning that we must have a certain level of comfort to drive tourists to that destination. Each listing is reviewed to ensure that it:

- is a cultural, historical, or recreational destination;
- is regularly accessible to the public;
- appeals to a broad spectrum of tourists;
- highlights the assets of the state of Texas, rather than simply being a community amenity that primarily serves a local community or its surrounding residents.

Some destinations may have additional requirements. For example, wineries and breweries must be more than a tasting room and offer something of additional interest to tourists, such as tours.

How do I update my listing in the Guide?

There are two options for updating:

1. Email updates to TRV_Guide@txdot.gov.
2. Make changes online—email TRV_Guide@txdot.gov for detailed instructions.

When do I need to send my info for the next printed edition of the Guide?

Destination updates are due in late May. Existing listings will receive an email reminder in April soliciting updates. If you miss a deadline, please go ahead and notify us of changes, additions, and deletions.

How do you decide what events go into the Calendar?

Events should be of interest to travelers and open to the general public. For more on the types of events we list and other guidelines for the Texas Highways Events Calendar, please visit <https://texashighways.com/events/submit-event/event-submission-guidelines/>.

How can I get my event listed in the Calendar?

To submit events for consideration, please visit our online submission form at texashighways.com/submitevent. Submitting events through this form with your contact information will give you confirmation when your event is received in our database and let you know when it's approved for use in our listings. All listings are subject to review and editing to meet publication guidelines. We appreciate your patience while we work through the many fun and interesting submissions we receive—it may take several weeks.

What if I have several events to submit?

If you have 10+ event listings to send us, and you have them in table format (such as an Excel or .CSV file), we can now offer bulk upload of your listings directly into our database. Just make sure your table has each type of information we require—city, event name, dates, etc. —in separate columns. You may download the template by going to <https://texashighways.com/events/submit-event/event-submission-guidelines/> and clicking on the 'download our template here' link within the 'Where to Send Event Information' section.

If neither of these options works for you, you may still send events to texasevents@txdot.gov. However, please keep in mind that our system doesn't offer confirmations for event receipt/approval when events are sent by email.

What do I need to supply for my listing in the Calendar?

All event listings sent to us **MUST** include:

- Name of the event
- City in which it occurs (or nearest city)
- EXACT DATE(S) of the event
- Location/venue of the event (please include exact address if known)
- Phone number(s), website or e-mail address the public can call for more information (must include at least one)
- A brief description of the event (this can either be a list of activities or a couple of sentences—we will format for publication)

When is the information due for the next printing of the Calendar?

So that we can give the most exposure possible to your events, please submit listings by the Texas Highways Events Calendar deadlines:

- **Winter Events** (Dec, Jan, Feb): due by **September 1**
- **Spring Events** (Mar, Apr, May): due by **December 1**
- **Summer Events** (Jun, Jul, Aug): due by **March 1**
- **Fall Events** (Sep, Oct, Nov): due by **June 1**

Events received by these deadlines are included in the Texas Highways Events Calendar and online listings, and are considered for Texas Highways magazine (which uses a partial

125 E 11th St | Austin, Texas 78701
512.463.8588
txdot.gov

selection of all events received). While we can't guarantee that events received after these deadlines will be listed, sometimes we can still get them into the magazine or online--generally, the sooner we get your listings, the better the chance.

Please note that listings received less than a month before the event are unlikely to make it into our database.

If you'd like to be added to our email list to receive a reminder of when event listings are due each quarter, go to
<https://signup.e2ma.net/signup/1991089/1965349/>.

Other Publications & Brochures

Texas Public Campgrounds

Texas Public Campgrounds lists and provides details about 388 campgrounds operated by federal, state, and local government entities. The publication is distributed primarily through the Texas Travel Information Centers and is one of the tools for travel counseling.

Texas: A Quick Look

This 32-page booklet gives a brief history of Texas and presents the state regionally, mostly with pictures. It is a broad overview of Texas including facts and the flags that have flown over the state. This piece is geared toward school-aged children and is a product for teachers and children requesting materials that will assist them in learning about Texas for school assignments.

Texas Wild

Developed in partnership with the Texas Parks and Wildlife Department, this brochure provides an overview of where to view birds and other wildlife across the state.

Wildflowers of Texas

A brochure featuring photographs of many common Texas wildflowers, including seasons of appearance and where they grow. This product is used extensively by the TICs during the wildflower season. This brochure is also used department-wide in TxDOT district offices as a part of the department's landscaping and beautification efforts.

Judge Roy Bean

This brochure is an interpretation of the "Jersey Lilly" state historic site operated by the department in conjunction with the Texas Travel Information Center. Since the Judge Roy Bean Visitor Center is an attraction in addition to being a Travel Information Center, the Judge Roy Bean folder is used as an interpretative piece and is the primary information piece at that location.

Texas Capitol Complex Guide

This is a visitor guide to the Texas Capitol Complex where the department operates a TIC. This folder is a reference tool and interpretative piece for the Capitol Complex Visitor.

512-486-5927

General Public

<https://texashighways.com/free-travel-information/>

or call 877-252-8150

For the travel and tourism industry, the division operates an in-state literature distribution program designed especially for Texas visitor centers, cities, chambers, CVBs, hotels, and entities that interact with travelers. Approved entities may order bulk quantities of the Texas State Travel Guide, Map, Texas Highways Events Calendar, and other publications.

To order free publications for your business for free distribution to the public, follow these steps:

1. Go to https://texastravelleads.com/ttl_login
2. Click Register New User
3. Once registered, TxDOT will set you up in the system to be able to order. You will receive a confirmation email once this is completed.

Please see the appendix to review policies for participation in the program.

TxDOT Photo Library

The photo library is available free of charge to the public. Our photo library includes transportation subjects, scenic landscapes, and a wide variety of images from TxDOT publications. We will transfer digital photos electronically upon request. All costs associated with copying or reproducing photographs are the sole responsibility of the person copying or reproducing the material.

The photo library is not available online, but you may make an appointment at the library in Austin or request photos by mail or phone.
